To Whom It May Concern:

Our staff members are Behavioral Instructors working for S<sup>D</sup> Associates. The staff is trained to implement specific behavioral strategies and safety protocols while working with our student. They are working to ensure the safety of our student and community members at this time.

They are not able to speak with you right now, because, their attention needs to be on their student. They have back-up protocols to follow in order to access additional support. THE BEST WAY TO ASSIST THEM IS TO PLEASE REFRAIN FROM INTERACTING WITH STAFF AND THE STUDENT AT THIS TIME.

Since their attention must be directed toward their student, you may direct your comments or concerns to David Powsner, their supervisor, by calling (802) 236-0121.

We appreciate your concern. Please know that the staff is doing everything they can to keep our student and everyone in the proximity as safe as possible.
